

Mental Health and the Church

A one-day conference that will take a close look at a range of mental health issues including diagnoses such as depression, suicide, bipolar, schizophrenia, and the pastoral care of people who experience mental health issues.

This conference is open to all interested people including family members. However the primary target group is pastors, vicars, ministers and those involved in the pastoral care ministry of churches and Christian organisations.

The address by Dr Andrew Darby will also be very helpful for pastors who may be struggling with depression of some kind.

Tuesday 14th June | 9.00am - 4.00pm

Registrations and coffee open at 8.00am. Tea and coffee supplied throughout the day but not lunch. There is a café on site at Windsor Park and a number of takeaway eateries close by.

Windsor Park Baptist Church

550 East Coast Road, Mairangi Bay, North Shore, Auckland 0732.

There is plenty of parking available on site.

Dr Andrew Darby

Andrew has worked in a number of senior psychiatric positions since 2002 including the crisis, assessment and treatment service (CATS), inpatient psychiatric service, adult community psychiatric service, and community alcohol and drug service (CADS). He is currently employed at the Waikato DHB as the Clinical Director for Adult Mental Health Services.

Dr Phil Halstead

Phil is on staff at Carey as a lecturer in applied theology and until very recently at St Paul's Symonds Street where he worked in the area of pastoral care and counselling. Phil is also in private practice.

Dr Mike Ang

Mike is the Service Clinical Director of Adult Mental Health for the Waitemata District Health Board and sometimes acts in the role of the Director of Area Mental Health Services. He has worked clinically in the areas of inpatient, consultant-liaison, acute crisis service and community teams.

Amanda Christian

Amanda Christian is a registered psychologist interested in addressing the needs of mind, body & spirit after grief, loss and trauma. Her specialist area of interest is suicide prevention, postvention and intervention.
