

SIMPLE PINTEREST CRAFTS

Paste or staple a long concertina (folded) strip of light card to two hands made by drawing around the child's hands.

Write: "I love you," on one hand, "this much" on the concertina strip and "Dad", "Daddy", or "Grandpa" on the other hand.

Make sure the children write a personal note on the back of the M&M card to tell their Dads what they want to thank him for.
