

TAKE A BREAK ...

Search the Op shops for cups and saucers or nice coffee mugs.

Have the children choose a cup or mug that they think that their mum would like.

Fill the cup with sachets of their favourite drink. ie herbal tea, coffee or hot chocolate and homemade chocolates made by melting chocolate buttons, pouring them into chocolate molds and refrigerating them.

Wrap the cups in cellophane using one of the gift tags (see idea below) to tie it at the top.

Encourage the children to be specific in their thanks by using some of the starters below:

Happy Mother's Day!

You make me smile when you _____
You make me feel loved when you _____
My favorite way you care for me is _____
You show me you love God when you _____
I know you love me because you _____
The best thing you've ever done for me is _____

Thank you for holding everything together!

Even the boys will be proud to give this to their mums!!
